Matt-

As long as you don't need me on Monday, I'm available next week (I'll be in Fall River on Monday, and then I'm on call for Springfield District court on Tuesday and Wednesday). However, if you are going to need me first thing Tuesday morning, I am going to need the lab number(s) by about mid-day tomorrow (Friday) so I'll have time to get my notes together as I will not be here on Monday. Thanks.
